

D. Keith Oden

PRESIDENT & TRUST MANAGER

D. Keith Oden was co-founder of Camden's predecessor companies in 1982 and has served Camden as President and Trust Manager since 1993. As a Principal Executive Officer and Director, Oden drives Camden's strategic initiatives, leads the property operations and corporate support services, and promotes the company's culture.

After completing his Masters Degree in Business Administration from the University of Texas at Austin, Oden began his career as a management consultant with the then-public accounting firm Deloitte, Haskins and Sells in 1979. He joined Century Development Corporation, one of the most active real estate development firms in the Southwest in 1981, and later became Director of Financial Planning.

For more than twenty years, Mr. Oden has been committed to developing one of the best multifamily companies in the industry. Under his purview, Camden successfully completed the mergers of three public real estate companies: Paragon, Oasis Residential, and Summit Properties in 1997, 1998 and 2005, respectively. Oden's work was instrumental to the assimilation of these three companies into Camden's culture.

Oden is a member of the Executive Council of the Center for Real Estate Finance at the University of Texas and serves as advisor, financial

supporter, guest lecturer and panelist for the faculty and students pursuing their MBAs in real estate finance. He is a member of the American Institute of Certified Public Accountants (AICPA) and a licensed real estate broker in the State of Texas.
